

## BELGRADE - 5 DAYS / 4 NIGHTS

Belgrade is the only European capital that lies on confluence of 2 great rivers, Sava and Danube. It is also one of the oldest capitals in Europe and one of the oldest cities in the world with rich, long and turbulent history. Built around the fortress that was raised in 1<sup>st</sup> century, the city was thorough history main goal of many biggest forces mainly because of its perfect geostrategic position which presents kind of a bridge, the crossroad between east and west. Having that in mind, as British encyclopedia tells us, Belgrade is the most ruined city in the world. 44 times it was demolished to the dust and 137 fights were fought for the fortress. Today, this capital offers a lot of different things to visit, from the [Belgrade fortress](#) to Nikola Tesla and Josip Broz Tito museum, to one of the biggest orthodox temple in the world [St Sava](#). Also, it is famous by its nightlife. Many tourist organizations and travel magazines choose Belgrade to be the number 1 destination in Europe for best night life. Let's not forget amazing Serbian cuisine!

### Day 1 - City tour (panoramic + by walk) with airport transfer

Tour begins with panoramic sightseeing and visit to main sites and squares of Belgrade: Belgrade City Hall, Serbian Parliament, the main pedestrian zone of [Knez Mihailova Street](#), Belgrade University, National Theatre, National Museum, the oldest restaurant in Belgrade named "?", Orthodox Cathedral church. Tour continues to Kalemegdan Park and Belgrade Fortress with magnificent view on [confluence of Sava to Danube River](#) and Zemun Town, and much more. We will have lunch in Solu8nac restaurant, with national kitchen. Transfer to hotel. **Overnight.**

### Day 2 - Novi Sad, Petrovaradin, Sremski Karlovci

On the 80th kilometer north from Belgrade, over the E-75 highway is Novi Sad, the capital city of Autonomous Region Vojvodina. Thanks to its position on the coast of the river Danube, once was the border between two empires, Austro-Hungary on the north and Ottoman on the south and with the charter of Queen Marija Terezeja, it gets the status of free royal city Neoplanta in 1748. Thanks to the mixing of different nations and ethnic groups, Novi Sad with the population of 250 000 is a true multicultural environment and is the example of a true modern European city.

#### Novi Sad

The tour of Novi Sad includes the walk through the center of the city. We will walk through: Dunavska (Danube) and Zmaj Jovina street, which are the main walking zones of the city, City Hall, Freedom Square (Trg Slobode), The Name of Mary Church, Catholic port, the house of Mileva Einstein – the wife of Albert Einstein, The Synagogue in Jevrejska street, Matica Srpska – the oldest cultural institution of Serbia, and the city beach Strand. Lunch at Aqua doria restaurant.

#### Petrovaradin

Next we cross to the right side of the Danube cost and go to [Petrovaradin Fortress](#). Founded on the grounds of a medieval edifice, the fortress was built by the Austrians in the 17th century as pillar of defense against the invasion of the Turks. They call it the "Gibraltar of Danube", because of its position. Today the fortress is famous for the most prestigious European music festival "Exit". At the fortress we are going to have a lunch in restaurant with beautiful view of city of Novi sad and Danube river.

#### Sremski Karlovci

[Sremski Karlovci](#), positioned on the slopes of Fruška gora, represents the true gem stone of Serbian culture and spirituality. With its baroque town lake, Patriarchy Palace, Congregational church of Saint Nikola and Catholic Church of Trinity, first Serbian gymnasium form 1881 and the library of the gymnasium of Karlovci, this is the town that earned its name "museum town". Also worth mentioning is manifestation that celebrates wine and grapes "Groždenbal".

**When the tour finishes we are coming back in Belgrade. Overnight.**

### Day 3 - Western Serbia, Zlatibor mountain

Western Serbia, so called Serbian highlands, and [Zlatibor mountain](#) as its pearl is 200 kilometers away from Belgrade. Intact nature, hospitality and a lot of food is the things that you can find here. Zlatibor (literally "golden pine") is one of the top tourist destination in Serbia after Belgrade and it is also Serbia's most visited mountain, with a wide range of opportunities for active holiday pursuits such as walking, riding bike, horseback riding, quad safari or taking part in the special slimming and healthy life programs. A mountain of exceptional beauty with a mild climate, woodland valleys, grasslands, brooks and pines.

On the way to Zlatibor first place that we are passing is **Divcibare** mountain. After short coffee break we are continuing to ethno house so called **Terzica avlija**, place known for its handmade pottery and indoor and outdoor museum. We will have a lunch in village Potpec in restaurant by river and a cave. Our trip will continue to **Stopica cave**, it is river cave which consists of three speleological and hydro horizons: the occasionally flooded, the river horizon and the youngest one, the horizon of cracks. Without its youngest system Stopica Cave is 1.691,5 m long, it covers the area of 7.911,5 m<sup>2</sup> and has the volume of more than 120.000 m<sup>3</sup>. Next stop is going to be center of **Zlatibor mountain** where we will stay for overnight. You will have a chance to do some activities such horseback riding, adventure park, driving quads or just a walking. **After free time we will have dinner and return back to Belgrade late in the evening. Overnight.**

### Day 4 - Again Belgrade

This day in Belgrade we will use to sleep well, take a rest and visit museums and places which are unjustly neglected by travelers. First we are going to visit [Nikola Tesla Museum](#), where we will stay about one hour for performance. [Nikola Tesla](#) is Serbian biggest and one of the greatest world's scientist and inventor with hundreds of inventions. We will have a chance to see how some of them work, but to interact in them also. After museum our trip will continue to [Ada Ciganlija](#), famous lake and picnic place. You will have a chance to enjoy in train tour around 8km lake beaches, do wake board (depends of weather conditions), or just walk around and enjoy in greenery of this island. After this place we will move to other side of [Sava river](#) where we are going to have lunch in Souvenir restaurant and after that visit [Ada Medjica](#) if weather conditions allow us, small island in the middle of Sava river where we will have short walking tour and enjoy the ambient. After visiting this part of Belgrade we are moving to [Zemun](#) which is part by [Danube](#) river, so you will have a chance to enjoy both rivers in one day. It will be enough for one day so after Zemun we are going back to hotel. **Overnight.**
